Application No.: 10/630,752

Art Unit: 3673

REMARKS

By the present supplemental amendment, Applicant has cancelled Claims 1, and 13-16 and

added Claims 19-25, Claims 2-12, 17, and 18 were previously cancelled. Claims 19-25 remain

pending in the present application. Claim 19 is an independent claim.

In an effort to expedite prosecution of the present application, Applicant has cancelled the

original Claims 1-18 and added newly presented Claims 19-25, corresponding essentially to the

original Claims 1, and 13-16. Specifically, Claim 19 sets forth the combination safety sheet and

blanket as original Claims 1 and 13, and including the attaching means on the opposing ends of the

sheet, and a plurality of apertures disposed in the sheet.

Applicant respectfully contends that the safety sheet/blanket as set forth by the present claims

is patentably distinguishable from the references cited of record.

For the foregoing reasons, Applicant respectfully submits that the present application is in

condition for allowance. If such is not the case, the Examiner is requested to kindly contact the

undersigned in an effort to satisfactorily conclude the prosecution of this application.

Respectfully submitted,
